

CollaGEM™-V

CollaGEM™-V combines rice and pea protein peptides and highly concentrated lemon essence with vitamin C to naturally support collagen production free of animal-derivatives. This plant-blend collagen booster is an excellent dietary supplement for healthier and more ethical food choices.

Benefits:

- Supports healthy skin, hair, nails, bones & joints, and muscle growth
- Rich in key amino acids for collagen such as glycine and proline
- Provides 83g of protein per 100g
- Offers high bioavailability due to peptides with low molecular weight
- Has excellent solubility providing more diverse product applications
- Suitable for vegan and eco-friendly lifestyle

Applications:

- Sachets
- Powder pouches
- RTD beverages
- Ampoules
- Gummies
- Capsules
